orders regarding the place and mode of infliction of the punishment of whipping

---

No. 1453, dated the 23rd September 1907.

From — G. B. H. Hell esq., Deputy Secretary to the Government of India, Home Department (Judicial);

To — The Chief Secretary to Government, Judicial Department, Bombay.

In the Home Department letter No. 846, dated the 8th June 1905, the opinion of the Govt. of Bombay was invited on the subject of the infliction of flogging as a judicial punishment by the Criminal Courts. In addition to more important questions regarding the general scope of the Whipping Act and the advisability or otherwise of restricting or modifying its scope, the inquiry was directed to certain details regarding the place and mode of infliction of the punishment. I am now directed to communicate

the decisions which have been arrived at regarding ~~the~~ these points, and to request that, with the permission of the Governor in Council, instructions to the following effect may be communicated to all Magistrates:—

(1) All judicial floggings shall in future be inflicted in private, either at a jail or in an enclosure near the Court-house.

(2) When-ever it is possible to do so, Magistrates shall ~~secure~~ secure the presence of a Medical Officer at the flogging.

(3) The practice shall invariably be adopted of spreading a thin cloth soaked in some antiseptic over the prisoner's buttocks during the operation.

(4) The cane employed shall never exceed the legal minimum ½ inch in diameter in the case of persons over 16 years of age [section 392 (I) of the Criminal Procedure Code]; and in the case of

juvenile offenders a still lighter cane shall be employed.

2). I am also to say that the Government of India regard it as desirable that in the case of juvenile offenders the number of stripes inflicted shall not exceed 15, although the legal maximum is 30.

3.) The question of amending the law relating to the infliction of judicial floggings is still under the consideration of the Government of India.

Interpretation of Rules 20 and 21 of the Rules made by the Governor-General in Council under Section 59 of the Prisons Act, 1894, to regulate the shortening of sentences by the grant of remissions.

No. 305, dated the 22nd December 1908.

From—The Deputy Secretary to the Government of India, Home Department (Jails);

To—The Secretary to the Government of the United Provinces, Judicial (Criminal) Department.

I am directed to reply to your letter No. 3024, dated the 28th September 1908, making certain inquiries regarding the revised Remission Rules appended to the Home Department Resolution No. 161—172, dated the 25th June 1908.

2. The intention of Rules 20, 21 and the note to the former is that each case of a class (1) life-convict shall be referred for the special orders of the local Government as to whether release shall be granted and, if so, as to the conditions under which he shall pass the period of sentence remitted; and that class (2) convicts and term-convicts of class (1) shall be released without the special orders of the local Government in each case, but subject to such general orders as to release and such general conditions as to police surveillance during the period of sentence remitted as the the local Government may prescribe.

3. As section 401 of the Code of Criminal Procedure gives discretion to local Governments to release prisoners conditionally or absolutely, the inclusion of provisions to the above effect in rules under the Prisons Act would in effect be to restrict a discretion conferred by one statute by rules made under another. The provisions were therefore added as a "note" only to the Rules.

4. The procedure which the Government of India desire to be followed has been made clear in the amended note* appended to this letter, and I am to request that it may be substituted for note to Rule 20 of the Rules accompanying the Home Department Resolution dated the 25th June 1908.

5. As remarked in paragraph 2 of your letter under reply, the note which now purports to refer to Rule 3 of the Remission Rules should refer to Rule 4 (1), and I am to request that the necessary alteration may be made.

Endorsement by the Deputy Secretary to the Government of India, Home Department (Jails), No. 307, dated the 22nd December 1908.

Copy, with a copy of the letter* to which it is a reply, forwarded to local Governments and Administrations and to the Foreign Department for information and guidance, with reference to the Home Department Resolution No. 161—172, dated the 25th June 1908.

Accompaniments to Government Resolution No. 591, dated the 29th January 1909.

"*Note to Rules 20 and 21.*—The intention of these rules is (*a*) that the case of class (1) life-convicts should be submitted for the special orders of the local Government in each case as to whether release should be granted and, if so, on what conditions, (*b*) that class (2) convicts and term-convicts of class (1) should be released without the special orders of the local Government in each case, but subject to such general orders as to release and such general conditions as to police surveillance during the period of sentence remitted, as the local Government may prescribe; (*c*) class (3) prisoners should be released unconditionally on expiry of their sentence, less the period of remission earned."

No. 3024, dated the 28th September 1908.

From—F. E. Taylor, Esq., I.C.S., Secretary to the Government of the United Provinces, Judicial (Criminal) Department;

To—The Secretary to the Government of India, Home Department.

With reference to Home Department Resolution No. 161—172, dated the 25th June 1908, prescribing amended rules for regulating the shortening of sentences by the grant of remissions, I am directed to say that there would appear to be a discrepancy between Rules 20 and 21 and the note to Rule 20 of Appendix I. Under Rule 20 the cases only of life-convicts of class 1 are to be reported to the local Government, and Rule 21 authorises the Superintendent of the Jail to release without reference to Government all other prisoners. The note to Rule 20, however, directs that the remissions earned by all convicts of both classes 1 and 2 are to be passed under police surveillance prescribed by the local Government. I am accordingly to ask whether it is intended that prisoners of class 2 and term prisoners of class 1 should be released without the orders of the local Government.

2. I am also to enquire whether the note to Rule 3 is not intended to apply to Rule 4 (1).

Judgments recorded by the High Court in Criminal appeal No. 211 of 1909 (with appeal No. 317 of 1909); Application for revision No. 267 of 1909 and Reference No. 56 of 1909)--- in the case of Imperator Vs. Anantsing bin Parashramsing --- No.1 and two others.

Corum:- The Hon'ble Mr. Justice Chandavarkar and the --- Hon'ble Mr. Justice Heaton.

30th September 1909.

Per Chandavarkar J: - In Appeal No. 211 of 1909 we accept the conclusion at which the learned Sessions Judge has ---- arrived so far as the conviction is concerned, namely, ---- that the act of the Appellant Anantsing bin Parashramsing was murder, under Section 302 of the Indian Penal Code. At the same time I cannot see my way to accepting the theory of the learned Judge that the deceased and his party had come to Alipur without any invitation by the accused and that ---- the accused fired on them in a state of blind panic. There is no good reason for rejecting the evidence of the -- witnesses for the prosecution who depose that the deceased and his party had been lured to Alipur by the Appellant. The Judge does not comment unfavourably upon the demeanour of ---- any of those witnesses. All he says is that he has reasonable doubt as to whether the story of these witnesses is true. But the story could not have been an after thought, because it was told soon after the murders and the Panchnama contains all allusion to it. The Panchnama mentions Abdulla as the -- person who had brought the message to the deceased Sub-Inspector from the accused No.1 that the theft had been --- detected and that therefore the Sub-Inspector ought to come. It is urged that most of the witnesses are interested because they are from the Savanur Police. But there is the evidence of the boy Fakira Adiveppa a Walikar of Alipur (Ex.6). He at least is a disinterested witness.

Upon the whole I think that weight should be attached to

the

the evidence of the witnesses for the prosecution. In my --- opinion the murder was a deliberate act. The Appellant must be held to have lured the Sub-Inspector and his party to the Alipur post and when they were there he fired on them deliber--ately for the purpose of revenging himself for the search which had been conducted by the Sub-Inspector in the house of accused No.3 in connection with a case of theft 5 days ---- previous to the murders. The sentence of transportation for -- life in the case of the Appellant Anantsing bin Parashramsing should be enhanced to that of death.

In the case of accused Nos. 2 & 3, both the Judge and the Assessors have taken the view that they are not guilty, and I do not think that there are sufficient grounds which would ---- justify our interfering with that order. Therefore the Appeal No. 317 of 1909, in regard to them, made by Government, should be dismissed and the order of acquittal and discharge ---- confirmed.

Per Heaton J :- I am of the same opinion that this is a --- very remarkable case and it is better that I should state my reasons in my own way. Substantially the defence amounts to this : that a ~~the~~ great part of the story told by the witnesses for the prosecution is false and concocted. There are two --- points about this story which are specially attacked. The first being that accused No.1 had sent a message to the ~~Sub~~ ----- Sub-Inspector of Savanur, which induced him to go to the -- Alipur Police post, on the night of the 20th February; and the second that when this Sub-Inspector and his companions reached the Police post, they were met by accused No.1, that he ---- conversed with them, and that he knew perfectly well who they were. Now we find both these incidents clearly and distinctly mentioned in the Panchnama that was made on the same day on which the murder was committed. Therefore if these two ----- incidents are false and concocted, they had been conceived

perfectly

perfectly clearly and definitely at that very early stage of the case. This is in itself difficult to believe, having --- regard to the terrible nature of the crime and the state of confusion and horror which would necessarily follow on it. --- Moreover if these incidents were false and concocted, it --- would be almost certain that indications of it would be ---- brought out in the cross-examination who deposed to them. --- It has not been contended in this court that a scrutiny of the evidence of these witnesses gives any intrinsic indications that these ----- incidents are false and concocted. And I certainly cannot --- believe that they are.

There is one circumstance which to my mind is a very --- strong corroboration of the substantial truth of these two incidents. That is the matter of the blanket on the Katta. Now the Patil has told us that when he went to the Police post in the morning shortly after the murder was commit--ted he found this blanket on the Katta. The accused admits that it was his blanket. I believe the Patil when he says that when he went with some men on the morning of the 21st February to the Alipur post he found a blanket on the Katta of the --- lamp post. How did it come there? Its presence there is a very strong confirmation of the story which the accused in his --- defence has endeavoured to show to be false and concocted. -

These two incidents being substantially true and there being no doubt whatever for it has been admitted from the --- beginning that it was accused No.1 who fired the shots and killed those 3 men, we have a case of extraordinary and --- brutal murder. No doubt it is very difficult to account for it. There we are left to pure speculation. But the murder was committed and was deliberately committed. I cannot think that any sentence but the sentence of death could be suitable in this case and accused No.1 should be so sentenced.

As regards the other two accused it is urged that the --- proof against them is that they were present at the time, --- were with accused No.1, were likely to help, that one of them,

accused

accused No.3, seized one of the Police sepoys and that ----- the other accused No.2, shouted that the sepoy who apparently he thought had seized his sister should be beaten. But for all this a reasonable man may doubt whether they had knowledge beforehand of an intention on the part of accused No.1 to -- commit the murder or whether they took any part by way of assisting him in the commission of the murder especially is this so as immediately after the murders accused No.2 and 3 separated from accused No.1. The facts are such that a Judge without taking any unreasonable view of the case might give the accused these benefit of the doubt. That being so, it seems to me that it certainly would not be in accordance with our practice or with the administration of criminal justice that we should reverse the decision of acquittal. Therefore I concur that their acquittal should be confirmed.

By the Court

2) The extradition Act is not applicable to the Sar. State. Nor do there appear to be any treaty provns between the Mysore & Sar. states so far as is known.

3) Two persons who had escaped into Sar. State being accs of offences under §§ 380 & 420 I.P.C, committed in the Mysore State, were arrested by the Mysore Police through the Sar. Police & handed over to the Mys's custody, pending the obtainment of extradition warrants through the proper channel. Section 3 of the Extradition Act does not seem to apply to the present case. The offences are extradition offences

4) The existing practice is for a foreign State to send up a prima facie case to the P.A. Sar. asking for extradition & for the Dy. Sar. to hand over the accs to the Police of the foreign state for trial, under ~~the~~ orders of the P.A.

5) These are the facts of the case & early orders are solicited

From the correspondence ending with his No. 113 dated 14th Feb,1911, it appears that the accused Budangouda and Bhangareppa were arrested and handed over to the custody of the Divan on or about 27-1-1911 by the Mysore Police, and that no steps were taken by the Divan to report the matter to the -- undersigned upto 14th February 1911, i.e.,more than 16 days, but on the contrary the Divan has written to the Sub Inspector of Police Savanur a vernacular Yadi No.6 dated 8th February 1911 asking the sub Inspector to arrange to get early warrants of surrender. This is not the correct procedure. It is, ---- therefore, pointed out ~~xxxx~~ to the Divan for his future --- guidance that, in such cases, the Divan should submit a ---- detailed report to the Political Agent as soon as the accused is handed over to his custody, and thereby to avoid the ----- unnecessary detention of the accused in custody.

In the Honourable High Court of Judicature,
Savnur State.

Application under section 526 Criminal Procedure Code.

Applicant. Atamahomed Khan Farzand Dadulla Khan Saheb of Savnur.

The above named applicant begs to state as follows:-

(1) The applicant and his wife have been in possession of some ~~some~~ landed and house property at Savnur and other places, gifted to the applicant's wife by her -- father ~~by~~ Kamruddinkhan Saheb Biradar-Nawab and second Class Sirdar of Savnur. Said Kamruddinkhansaheb died recently. He was living with the applicant till his death.

(2) One Mahbub Alikhan son of said Kamruddinkhan's brother has been trying to forcibly dispossess the -- applicant and his wife. He accordingly wrongfully broke open the applicant's lock of one of the houses and put his men into it without the consent or knowledge of the applicant or his wife. When the applicant went to the house said Mahbubali Khan's men assaulted and severely beat applicant and his son. They had also removed the applicant's goods in the house, some of which were on applicant's information recovered by the Sub-Inspector of Police at Savnur. It has come out in the Police ---- investigation that the mischief was committed at the -- instigation of said Mahbubali Khan.

(3) Some of these offenders, who number no less than a dozen people, are relations of said Mahbubalikhan and others his men and servants. The offence took place on --

12

on the 3rd Inst. and the applicant has lodged an information on the very day.

(4) Some of these offenders have subsequently i.e. on the 5th Inst. lodged a false complaint before the -- Divan and District Magistrate of Savnur, charging the -- applicant and his son with having caused them hurt etc.

(5) Said Mahbubalikhan is an influential man, and he is on the most intimate terms with the Divan and District Magistrate of Savnur and the Sub-Inspector of Police. As he is concerned in the matter the applicant apprehends that it is next to impossible to obtaina fair and --- impartial trial at the hands of the Divan and District -- Magistrate of Savnur.

(6) The applicant belongs to a very respectable family. His sister is a First Class Sirdar. He is a maternal uncle of the late Nawab of Savnur (father of the present young Nawab). The applicant's family pays land assessment to the extent of nearly 2000/- rupees.

(7) The applicant under the circumstances prays in the name of justice that the Criminal Case against the -- applicant pending before the District Magistrate of -- Savnur may be kindly transferred for trial to the Court of the Political Agent or Assistant Political Agent -- Savnur and that any non-brahmin Police Inspector may also be specially deputed to make a thorough enquiry and report about Criminal Case pending for investigation before the Sub-Inspector of Police Savnur. The applicant is willing to bear the expenditure consequent on the deputation. He is present here to swear to the facts stated in the application

Below application for transfer from -- Atamahomed Khan Farzand Dadulla Khan Saheb of Savnur, dated 10th June 1911, for transfer of his case from the file of the Divan and District Magistrate of Savanur.

ORDER.

It seems inevitable that the District Magistrate (Divan) of Savanur must be on intimate terms with most of the members of the Nawab's family, and in cases in which disputes between these members are in question it is possible that questions of partiality may arise.

In this case, therefore, I direct that the case referred to in the accompanying application be committed to the Court of the Assistant Politi--cal Agent or Sessions Court.

To

The Commissioner, S.D.

I have the honour to return herewith papers in ---- relation to sanction to transfer a case arising in ------ Savanur granted by you on the 13th Ultimo. There are ---- certain difficulties and technicalities in the matter.

The Assistant Political Agent has sent me a demi official from the District Magistrate Savanur (Div--an) pointing out that your order says the case should - be committed to the Court of the Assistant Political -- Agent or Sessions court. I presume as the cases (there --- are three prosecutions lodged against Ata-Mahamedkhan) --- are unimportant that the word in your order should be -- ' transferred'. It is not worth while the District ------ Magistrate Savanur wasting his time in proceedings ----- previous to committal.

Second difficulty is thatthere are three cases --- against Ata-Mahamedkhan, and the Divan wishes to know -- which is to be transferred, or committed.

And thirdly Mahbub-Alikhan has not so far filed any complaint against Ata-Mahamedkhan, and Ata- Mahamed--khan does not ask for the transfer of the case of ---- Mahbub Alikhan in which he himself is complainant.

Orders are therefore solicited as to what ----- exactly is to be done.

As the Sessions court takes no cognizance of ---- offences as a court of original jurisdiction (Section 193 of th Code of Criminal Procedure) there is no alternative but to ----- commit the cases to that court. The proceedings preliminary to commitment, should not, however, take up much of the District --- Magistrate's time as the defence is hardly likely to wish to -- cross-examine the witnesses before him. The order for commitmen should not moreover be interpreted to mean that the case must b committed even if the Magistrate finds from the prosecution --- evidence that there is no ~~need~~ reason to proceed further with it.

2. With reference to paras 4 and 5 of the above letter -- the Collector and Political Agent is informed that an order is being sent separately today in respect of all the cases pending against the applicant in the District Magistrate's court, which have arisen out of the transaction mentioned in the petition. As for Ata-Mahamadkhan's own complaint against the other party he has applied for transfer of its investigation to a non-brahman Police officer and the Commissioner has left it to the discretion of the Political Agent to pass the necessary orders

State Savanoor.

Sir

With reference to the State vernacular nos 303 & 335 dated the 22nd December 1911 & 13th January 1911 respectively, I beg to state that no order for extraditioning the convict Hanma bin Sanjeevappa of Jalaldinni dist: Raichoor who has escaped from the Savanoor State Jail, has yet been received.

The accused was arrested by the Nizam State Police more than two months ago, and is now detained in the Raichoor lockup pending his removal with an Extradition Warrant by the Savanoor Police as required by the Extradition Act.

Since the arrest of the said

escaped convict at Raichor, I reported to you thrice for orders from the Political Agent Savanoor State for an Extradition arrangement within the last two months. I also further had informed the dist: Superintendent of Police Raichor to arrange for the detention of the accused for two months from the date of arrest in the Lockup.

Now the district Superintendent of Police of Raichor writes in his letter dated 3rd instant which is received by me this day informing me that the accused was not removed within the time aforesaid and that he might be informed of his removal within the 12th Feb: 1912. I have also communicated him that the said accused may be detained in the Lockup of Raichor until the arrival of the Savanoor Police with an Extradition warrant from the Political Agent.

I now under the circumstances respectfully beg that you will kind

arrange for the Extradition arrangement of Hanma bin Sanjeevapa who has escaped from the Savanur Jail & who is in the Raichur Lockup, as early as possible. I fear that the Raichur magisterial authorities would let the accused go if the arrangements be not early made. I also beg to add that the other day when I saw the Personal Assistant to the Collector & Political Agent at Dharwar and told him all about the above, he wired the magisterial authorities of Raichur concerned to detain the said accused in the Lockup until the further Extradition arrangements

Dnyan Prakash Press,
25th Sept 1912.

Dear Sir,

A volume of the collected Writings and Speeches of the late Hon. Rao Bahadur G. V. Joshi has just been issued by the *Arya Bhushan Press*. The volume presents in a compact form a study of many of the important public questions during the last thirty years. It is throughout studded with statistics which was the author's strong point. Besides, it lays down a high standard and stand-point from which to study public questions. Hon. Mr. Joshi was a disciple as well as a co-worker of the late Mr. Justice Ranade; and the volume of his works, now issued, is probably the only one of its kind in India, covering such a vide range of subjects treated with such minuteness of detail. The book covers about 1260 Demi. Oct. pages, with a full Index of 24 pages, and is priced at Rs. 5 per copy. We have, therefore, to request that you will kindly register an order for one or more copies of this book, and otherwise render such assistance as you could to advance its sale. We are anxious that the work should find ready sale among the wide circle of admirers of Hon. Mr. Joshi's patriotic services as a publicist, especially as a large sum has been invested in the publication of the book, which is intended to abide as a sort of a useful memorial to the man and his work.

We remain,
Yours truly,
N. C. KELKAR, (Kesari Office).

OPINIONS.

The Times of India says :—The Hon'ble Mr. G. V. Joshi was a man whose work is not likely, in this Presidency at any rate, quickly to be forgotten ; but it is right that his work should find a memorial in some form that may be seen all over India. This memorial has now been provided by the Aryabhushana Press of Poona which has just brought out a big volume of 1,250 pages containing his collected writings. The book presents to the public the results of Mr. Joshi's close and ardent study of the financial, economic and administrative problems of India and of this Presidency in particular, carried on for a period of a whole generation. o o o o

Mr. Joshi was one of the few Indians who delight in statistics. This volume gives abundant evidence of his wide range of knowledge of facts, his profound study of administrative and other problems, his grasp of principles and the terse and trenchant method of his exposition. o o o o

Every paper bristles with many figures taken from bluebooks ancient and modern. Before writing upon a subject he seems to have taken care to acquaint himself with all the available literature bearing upon it. o o o

Whatever one may think of Mr. Joshi's opinions, his writings ought to inpire the younger generation of Indians whose reluctance to undertake a painstaking study of the more important questions of the hour is conspicuous. Abstract reasoning, hatred of inconvenient facts and a lack of industry and research are the order of the day. If this volume should tend to be a corrective to this tendency the publication of Mr. Joshi's writings will have done a distinct service. Patient and diligent study, such as is evidenced by Mr. Joshi's writings, has now become indispensable to educated Indians, owing to the expansion of the Legislative Councils and the larger opportunities that have been provided to them for serving their country. o o o o

The Mahratta of Poona says :—Mr. Joshi, whose life, for the larger part, was spent as a school master, was a most pains-taking student of Indian public questions, and his elaborate study of facts and figures endow his writings with a value which can be rarely found in contemporary literature bearing thereto.

All these collected writings have now been printed in a bulky volume of 1250 pages by the Aryabhushan Press, and published by Mr. Joshi's son. Both the publisher and the printers have done a public service in thus creating a memorial to the late Mr. Joshi, within the short period of just fifteen months since his death, a memorial which is bound to be more lasting and fructifying than any other. * * * * *

A perusal of the contents alone of this bulky volume is sufficient to give an idea of the very wide field which Mr. Joshi selected for his studies. He never deals in superficialities, but always comes to close quarters with the subject in hand, and treats it with the ease and ability of one who has completely mastered it. Every paper in the volume now before us bristles with facts and figures and every statement or place of information is assigned its proper authority or source. Administrative questions and Indian Economics seem to be Hon. Mr. Joshi's special strong points and in these he is thoroughly at home. * * *

The volume of Hon. R. B. G. V. Joshi's works now before us is bound to be of the greatest value to every student of Indian public questions. The subjects taken up for treatment are varied but at the same time most important to the Indian publicist. The figures and facts quoted throughout the whole book are invariably taken from published official records and other independent authoritative statistical works based on such records; and this fact lends to the volume special authority and weight. * * *

The present volume, covering over 1250 pages is rather a bulky one, but those who knew Mr. Joshi personally, will regret that the vast mine of information, the living fountain of statistics—to use Mr. Nevinson's words—has not been worked to yield still greater output than has been put forth in this volume. *

The volume comprising of over 1250 pages, is bound to be of the highest value to all publicists in India. It is a store-house of information on various questions. * * * * *

Hon Mr. Lallubhai Samaldas writes in the Indian Social Reformer :—Mr. Dinkar Ganesh Joshi has not only performed an act of fillial duty, but rendered a service to the cause of study of public questions by bringing together and publishing in a book form the writings and speeches of his father the Rao Bahadur G. V. Joshi. The publication of all the writings and speeches is a permanent tribute to the untiring industry, to the intellectual capacity that could treat those various subjects unallied to each other with lucidity and could make them interesting, to the student—like habits and to the almost religious fervour of Mr. Joshi for his country's cause. Here is a living example to our younger generation, amongst most of whom there is, one regrets to observe, a marked absence of the desire of deep and continuous study of the political, financial, educational and other problems of the day. * * * * *

The Aryabhushan Press deserves to be congratulated on the printing and get up of the book.

2 It is apparently true that the property lost was Rs 1-9-0 and that recovered was Rs 1-4-0, as can be seen, from the Panchnama that was produced before the 3rd cl: Magt at the time of the trial. It is mere an oversight that the property both lost recovered was shown to be (1-4-0) Had this entry been intentionally made in the charge sheet, as the Magte remarks the Police would have tried to take a special care to prove in the Court that the property lost was Rs 1-4-0.' The Hs begs to think that the Magte could can never be able to say that the Prosecutor Concealed the truth. Since the Magistrate admits that it was proved in the Court that the property lost was 1-9-0 and that recovered was Rs 1-4-0, the Magte, had no reason to take any contrary view upon a mere clerical mistake,

(3) The magistrate fails to understand that the mistake in figures, could neither prejudice the accused put on trial, nor any body concerned in the case.

(4) The value of the property both received & lost being very small, the Police have clearly no advantage in showing that the property lost was the all that was recovered.

(5) Such being the case, the magistrate remarks, are in the U/S's opinion groundless.

6) The U/S further begs to state that this is the first theft case that the magistrate tried, after he was invested with magesterial powers. Apparently such remarks can never be expected from an experienced magistrate.

7) I also humbly beg to state that the illegal proceedings followed by the magistrate in disposing of the property, found in the possession of & belonging to the accused in the case, may outweight the

Clerical mistake which is pointed out be serious by the magistrate.

2. The undersigned begs leave to submit out that the report of the Sub Inspector of Police No 95 dated 25th April 1913 contains full of unwarranted & reckless criticisms against this Court which ought on no account to be allowed unless they are relevant & consistent with the points under explanation. A perusal of the report will clearly shew that the Sub Inspector has gone quite astray & has deliberately tried to dishonour the Court openly. The facts stated in paras 6 & 7 require special consideration. The undersigned has pointed out the irregularity of the Police & as well placed his own fault before the District Magistrate for being rectified. The undersigned feels the necessity of requesting the District Magistrate for favour of taking the subinspector to task unless he apologizes in writing to this & the District

Magistrate's Court after ascertaining from him whether he knows full well the substance of his report which is in English a language of which he is totally innocent.

MEMO.

The Undersigned regrets that such friction should have arisen amongat State Servants.

The Sub Inspector was wrong and there was absolutely no necessity for him to mention anything about theability of the Magistrate. If the Magistrate had not been competent enough to be invested with magesterial powers the Undersigned would not have given those powers to the Magistrate Such personal remarks should not be in future made by the Sub Inspector.

On the other hand the Magistrate might have allowed the mistake of the Police to go unnoticed specially as the prosecuting officer admitted the truth in open court and thus showed there was no bad intention on the part of the Police.

The language used by both the Magistrate and the Sub Inspector is anything but friendly and courteous as it should be with the man ofa position of the chief police officer of a native state and a man invested with magesterial powers.The Undersigned does not want to enter into dtails as to the different terms used by the two officers concerned.Suffice it to say that it does credit to neither and the Undersigned requests the District Magistrate to call both the officers and personally tell them that this sort of corresspondence is not at all appreciated by higher authorities and in future in official correspondence both of them should try to be more courteous.

& 4 Copper pot or cup in the Dhanar Bungalow of Mahomed Nawab Sahib D. J. D. ~~where the~~ there was a maid-servant there

(2). Articles 2 & 1 was found with Kulsumbai's brother who also has been arrested by the Police & No 2 with Kulsumbai

~~These articles have been~~ ~~attached by the Police~~

(3) Kulsumbai has confessed her guilt before this Court, stating that she had stolen the above mentioned articles & that Nos 3 & 4 are in her house at Dhanar

(4) It is also on record that there is no other person in her house to share the other articles

(5) The accusation charged

by the Police against Kulsambai & her brother are very clear.

(6) The Police are asking the detention of the accused for 3 days only so that the other property may be shown by Kulsambai at Dharwar.

Thus there are good & sufficient grounds to allow her detention to the Police custody.

The journey to Dharwar & back to Sawanur will take 3 days & one day may be required to find out the property.

So the detention to the Police custody for 3 days seems necessary to complete

the investigation of it is praised

Letter from the District Magistrate, Bellary,

To the Chief Secretary to the Government of Madras,

Dated 25th September 1914,

M. C. R. No. 1398.

I have the honour to state that one Chenna Basavva of Morigeri, Hadagalli taluk, has complained against (1) --- Hebbali Sankarappa and (2) Huchappa and two others of an offence under sections 341 and 379, Indian Penal Code. The first two accused are now residing at Kalavali, in the Savanur State, Bombay Presidency. An offence under section 379, Indian Penal Code, is extraditable. I have therefore the honour to request that steps may be taken to have the fugitives surrendered by the Native State for trial before the Taluk Magistrate, Hadagalli.

2. An English translation of the evidence of criminality recorded by the Magistrate in the case is sent herewith in support of the application for extradition.

Statement of Chinna Basavva.

8-9-1914.

I married my daughter to 1st accused Sankarappa. One year previous to the last 'Yugadi' (New Year) he brought my daughter and left her with me. She was with me since then. She was brought here without jewels. Even the neck-lace I had given her had been taken from her. When he came to take her back, I told him to bring the neck-lace before he could take her away. He did not do so. About 2½ months ago, at about 1 hour before day break, the 2nd accused called me while I was sleeping inside. I opened the door to see what was the matter, and the four accused came in. They questioned whether I would send daughter Basavva or not at once. I said "Let the night pass. Take your meals, return my jewels which she is now wearing and take her away". My daughter was wearing my own jewels mentioned in the petition. I told them to return those jewels to me and take her away in the morning. Thereupon, the 2nd accused caught my arm and pushed me down saying "what do you see--beat". I cried out. Again Sivappa held my neck and pressed. Accused 1 and 4 carried my daughter away although I was bawling out that they should not take her away before returning my jewels. Witness Sakragowd, Doddabasavanagowd and Sivappa came and separated me. The 2nd accused is the younger brother of the Reddi of Morigeri, and my brother-in-law's son. They and I are not on friendly terms with each other. That is why they have got my jewels stolen and carried my daughter by force. The 2nd accused has joined with the others with the object ofcausing loss to me, and stolen my jewels. The Reddi of Morigeri is my enemy.

About 3 months ago at 5 A.M. I was going to answer calls of nature. I was passing the front of Chenna Basavva's house. People came as she was crying out Sivappa, Sakragowd and I went near the gate. Sivayya and Karigowd were holding Chinna Basavva. Sankarappa and Huchappa took away Gangavva. They did not care although Chenna Basavva said that her samans should be returned to her before her daughter was taken away. Gangavva was wearing gold bangles, Tike, Talisman, Nathu, a pair of gold Bugadies, silver chowkam, silver dabu and silver rings. She was taken away in a cart. Karigowd and Sivayya were holding Chinna Basavva. The jewels belong to Chinna Basavva and not to Gangavva. Chinna Basavva is my aunt.

About 3 months ago, one early morning I was going to answer calls of nature. Chinna Basavva was crying out and abusing. I went near the gate. Karigowd and Sivayya had thrown Chinna Basavva down and holding her down. Chinna Basavva said that her jewels should be returned to her before her daughter was taken away. Two persons took the daughter away in spite of the mother's protest. I do not know their names. They were of dark colour. I could recognise them if I saw. Gangavva was wearing Talisman, gold Tike, Nathu, gold Bugadies, silver dabu, Chowkam and toe rings. Chinna Basavva was bawling out that the jewels should be returned before Gangavva was taken away. But the two took her away without doing so. A cart was stopping in front of the house. She was taken away in that cart. I went to separate her but they did not leave her. Basavanagowd at last separated Chinna Basavva.

3 Some witnesses for the Prosecution have now been examined-in-chief. Mr Krishtacharya has, I learn, through inadvertance omitted back some chief points to witnesses during his examination of witnesses in the Court.

To,

Rao Bahadur Dewan & District
Magistrate Savanur State.

Sir,

I beg to state that on the 29th or 30th March last 3 Lamanias - 1 Purya bin Anijya, 2 Lekkya bin Somlya of Yellapur, Taluka Gadgeri & 3 Bhikya bin Walya of Shiddapur of the Savanur State, together committed the theft of toddy juice by removing the same from toddy trees at Shiddapur & beat the Servants at the toddy trees, Hanmanta bin Munieppa, Munieppa bin Moogappa, Rajesab wd. Rajesab, & Huligya bin Chandappa. During my investigation of the same theft, I arrested 1 Purya bin Anijya & 2 Bhikya bin Walya. I could not arrest Lekkya

bin Somlya as he had then absconded. The 2 Lamanies that were arrested, were placed before the III Magte Savanur, who tried & convicted them on the 28th April 1917. A copy of his judgment, received from him is enclosed for favour of your perusal. On going through the said judgment it may be seen that there is a prima facie case against Lekkya bin Somlya, who had then absconded. Since then I started enquiries about his whereabouts as is clear from the detailed correspondence that went on ~~below~~ below my order of 15th April to arrest the said Lekkya under § 56 C.P.C. Now, below the said order the Police Sub-Inspector of Gudgeri writes to me on the 7th instant that in a theft case, the said Lekkya who was arrested there, is convicted by the Magistrate of Gudgeri to suffer rigourous imprisonment for one month & sentenced to pay a fine of Rs 10 in default to further suffer rigourous imprisonment for 15 days. Thus he is

likely to be released from Miraj State Prison after 6th September 1917. After his release therefrom, he will have to undergo his trial for the offence of theft & hurt committed by him at Sheddapur on the 29th or 30th March last, as referred to above at the Savanur State Magistrate Court. He is a resident of Yellapur Taluka Gudgeri.

Under the circumstances, I respectfully beg to ~~report~~ request the favour of your kindly addressing the District Magistrate of Miraj Junior State to arrange to surrender to your court, the said Lekya bin Somlya Lamani of Yellapur of Gudgeri Taluka, just after the expiry of the term of imprisonment awarded to him by the Miraj State Magistrate, to enable me to put him on his trial at the Savanur State Magistrate Court.

I beg also to bring to your notice that on such a demand, the Miraj State Durbar may surrender, the said

Lekkya to this State, as per agreement entered ~~into~~ by both the States in 1913. Kindly vide your No 682 of 6/10/13 below Hugus No. 532 of 30/9/13.

The said Lekkya is to be released on 6/9/1917. Hence I beg to request that arrangements may kindly be made that the said Lekkya may be ordered to be surrendered before that time, or the Miraj State prison authorities may be informed to detain him in their prison as an under trial prisoner, in case ~~the order of surrender~~ takes long time to be passed by the Miraj State authorities.

Ex. 13.

In the Court of the Magistrate third class Savanur.

Case no.19/1917.

Savanur S t a t e.

V e r s u s.

1. Purya bin Anajya Lamani of Yellapur.
2. Bhika bin Walya Lamani of Shiddapur.

The accused stand charged with having committed theft of -- toddy worth annas.six and having voluntarily caused hurt.---- Offences punishable under sections 379 and 323 I.P.C.

The story for the prosecution runs as below:

The two accused along with the third, Lekya who is at large, were seen, on or about the 29th March 1917, by Hanamant, Ex.no. 2, when drinking toddy in the bush of toddy trees in the Shidda--pur brook. These trees have been taken by one Namadeva a toddy contractor of the Shiggali shop for taking juice out. He has -- employed Muniyeppa and Hanamanta to watch and to tap the trees for extracting juice. When Hanamanta saw the Accused drinking - toddy stealthily and when he, on enquiry, was given a slap by- the accused, bawled out. Hearing him Muneppa, Huliga and Raja -- (Ex.nos.1-3 &4) came to the place where they were. The accused were then taken to a tamarind tree near where they beat - Muneppa and Huliga and hurt them. The accused then ran away.

The points to be decided are:-

1. Whether the trees from which toddy has alleged to have been taken and drunk belong to Namadeva the contractor.
2. Whether the accused took toddy from them and drank without- the consent of the owner.
3. Whether accused no.1 beat & caused hurt to Muneppa & Huliga

and if so voluntarily.

My findings on all these issues is in the affirmative for reasons to follow:-

The important witnesses in the case are Hanuma, Huligya Rajya and Muneppa ex,nos.2-3-4&1 as these have directly come in contact with the accused.

It is admitted on all hands that the toddy trees in the brook in question have been taken by different contractors fortaking juce to different toddy shops.

It is proved from ex.no.1 to 6 that Namadeva contractor has taken a part of these trees for the Shiggali shop and has employed Muneppa and Hanamanta.

It is Hanamanta that first saw the accused drinking toddy.His statement that Huligya,Rajya and Muneppa came to him when he bawled out ,is corroborated by those witnesses.Vide ex.nos.1-3 & 4.It is stated by these all four that the trees from which the gobbis were taken down were giving out juce.This,their statement is corroborated by ex.nos.5 & 6.There were many other trees tapped for taking out juce except the ones referred to above vide ex.nos.3,4,5 & 6.

These witnesses say as to from what trees the gobbis were taken,as the trees were numbered before tapping.

Ex,nos.1,3 & 4 state the 3 gobbis were present with the accused when they were first seen by them.Exs.3 & 4 state that the Accused were in a state of intoxicatuon and that toddy smell was coming out when approached.It is also on record that there was fresh foam of toddy in these gobbis.

Looking to all these circumstances it proves beyond doubt that the accused had drunk the toddy juce taken there from the trees in that grove;apprently without the consent of the owner.

It is the accused that should clear their conduct. They have no defence to enter into.

It is proved from ex .nos.1 tp 4 that accused Purya threw stone towards Muneppa ex.no.1 and hurt his left shoulder and beat Huligya with a gobbi with a result that the stroke b

broke his head near his neck.

There is on record that blood was -- seen oozing out of Huligya's neck vide ex.no.5 & 6.It is also on record that there were pieces of earthen pots lying on the ground there.

There were pieces of earthen pots and blood ---- stains on the scene of offence is proved by ex.no. 7,a punch. From his statement it is also proved that ex.nos.1,3,4 & 5 &6 were at a hearing distance from where the accused stole toddy A punchnama is also held by the Sub-Inspector to that effect ex.7(a)

The accused dont plead guilty and they have no --- defence to enter into as already noted.

The act of the accused was daring, as these events took place in the broad day light and besides they are criminals being - Lamanis.

From what I have discussed above from the evidence on record, I hold that it is sufficiently proved that the ---- accused are guilty of the offences charged against.(Accused 1 Purya under sections 379 and 323 and accused 2 Bhikya under section, 379 I.P.C.)

I hereby order that accused no.1 Purya - should suffer rigorous imprisonment for 7 days under section. 379 I.P.C . and should pay a fine of Rs.5 under sec.323 I.P.C and in default should undergo further rigorous imprisonment- for three days; that Bhikya should undergo rigorous imprison-- -ment for 7 days under sec.379 I.P.C.

" I have the honour to state that the Assistant Collector of Excise Dharwar Division reports to me of an abkari case in which an accused person who was found transporting illicit liquor within the limits of Savanur State was convicted and sentenced to pay a fine of Rs.8/- by the 1st Class Majistrate of the State (Case no. 6 of 1920). The Assistant Collector of Excise complains of the leniency of the sentence passed in the case, and asks me to move the State Authorities to inflict deterrent punishments in such cases in future. I have therefore the honour to request you to kindly issue such orders to State Majistrates as you consider desirable.

2 In view of the prevalence of illicit distillation (due chiefly to the abolition of a maximum selling price in shops) I have suggested to my own Magistrates that lenience in sentences will generally be misplaced. The offenders are no doubt generally persons of humble stations but they stand to make large sums of money by their offence."

Sir,

I beg to enclose for favour of your perusal & orders page 26 of the Bombay Government Gazettee dated 11-11-18 where-in it was notified that District Police Act 1890 having been amended, Sec. 61A has been inserted, after Sec. 61. This amendment purports to state that where cattle are habitually allowed to stray & that such cattle, trespass on land & damage crops or other produce therein, the Government may direct that provision of Sec. 61 A shall have operation in such area.

Sec. 61 A lays down that a person who through neglect or otherwise fails to keep in confinement or under restraint between an hour after sunset and sunrise any of his cattle shall be punished with fine or imprisonment.

I beg to bring to your honours notice that the correspondence regarding the application of this amendment to the State was first started by my predecessor as in his opinion, the introduction of the amendment of the new Sec. 61 A, would be necessary as can be seen from memo of 19 of 23-3-19 which is enclosed.

The Sub-Inspector of Police reports in his No. 638/27-8-19 that operation of this Sec. at Savanur and the outposts is necessary.

So far I know, people at Savanur & Mallad villages, freely allow their cattle to stray especially by night during the time when there is crop in lands with the intention that they should be nourished without any cost & trouble to them causing a great damage to the standing crops.

In order to stop this undesirable practice fines levied under cattle Trespass Act. for cattle impounded at Savanur were -- doubled some years ago ~~mm~~ without any salutary result. In my humble opinion, it is advisible in the interest of poor Ryots to bring the provision of this Sec. into operation in the State limits.

If your honour is pleased to approve of the proposal, notice will be issued to all the State villages requiring them to show cause why these operations should not be orderd to be brought into force & then a report submitted.

Capt.
Nawab Sahib

Criminal Appeal No. 1 of 1921.

In the Court of the District Magistrate at Savanur.

1. Prabhu 2. Jogya	bin Basapa of Domvar matter.	Appellants

Versus

Savanur State.

(1) In this case, the appellants, have been bound over to be of good behaviour, under Section 109-110 Criminal Procedure Code by the Magistrate I Class on the 3rd October 1921 for a period of one year from 31st August 1921.

(2) The appellants have preferred this appeal, on the alleged ground that the Magistrate I Class refused them their right of recalling prosecution witnesses, after they entered their -- defence, in spite of his having followed the procedure laid down for enquiry and trial of warrant cases and urge that the same has occasioned a failure of justice . This is the only ground the appellants put forth and on which they ask for reversing the judgment and order of the lower court.

(3) It is therefore to be seen whether the appellants, during the enquiry in the lower court, were entitled to the right of recalling prosecution witnesses, when the appellants were asked by the lower court, to produce evidence on their behalf and whether this refusal of the Magistrate will tauntamount to an irregularity as occasioning a failure of justice, the judgment and order of the lower court deserves to be reversed under section 537 Cr,Pr.Code.

(4) On perusal of the papers of enquiry held by the Magistrate First Class, it is evident, that, as the examination in chief of each of the prosecution witnesses was finished the appellants were distinctly asked to cross-examine the witness they declined to do so . When the evidence on behalf of the prosecution was taken , the appellants were asked to produce evidence on their behalf. No charge was framed under Section 254 Cr. Pr. Code. Hence the Magistrate was justified in not resorting to section 256 Cr.Pr.Code. This Section Viz. Sec. 256 Cr. Pr. Code is the only provision, by which the appellan

can claim the right of recalling the prosecution witnesses. The pleader for the appellants agrees with the views of the court, that, section 256 Cr. Pr. Code is not applicable to -- cases under sections 109and 110 Cr. Pr. Code. Besides, it is clearly laid down in Section 117 Cr. Pr. Code that enquiries under section 109 or 110 should be as far as practicable be -- carried on according to the procedure, laid down for conducting trial of warrant cases. Hence, the Magistrate holding -- ~~enquiries~~ enquiry in such cases, is not intended by law, to strictly abide by the procedure laid down for conducting -- warrant cases.

(5) The pleader for the appellants urges that the -- appellants had the right of recalling prosecution witnesses -- according to Section 257 Cr. Pr. Code . This Section provides that, the court should compel the attendance of witnesses, -- whom the accused, are entitled to call on their behalf. The appellants were not entitled to recall prosecution witnesses, under this section viz. 257 Cr. Pr. Code as urged by the pleader for appellants. It has been shown above that in warrant cases the accused has a right of recalling prosecution witnesses as per section 256 Cr. Pr. Code. It has been shown above that -- this section is not applicable to the enquiry case under appeal

(6) For all these reasons, I do not think that the -- appellants could have claimed as of right, the right of recalling prosecution witnesses.

(7) The pleader for the appellants urges that, the Magte class first granted his request of recalling the prosecution witnesses and subsequently withdrew his grant. As remarked by me above, the magistrate I Class was to conduct this enquiry as far as practicable according to the procedure laid down for -- warrant cases. It was therefore his mere discretion either to grant or to refuse the request of the appellants in this respect The pleader urges that, the Magistrate First Class should not have withdrawn his own order, which he thinks is illegal. But, I do not see, under what provision of law, the pleader urges this point. The Magistrate had first granted the process for -- attendance of prosecution witnesses, which he subsequently -- withdrew, on its strongly being opposed by other party. This

withdrawl of process on the part of the Magistrate has -- been made much of by the pleader for appellants. It appears that the Magistrate., while granting the process for prosecution witnesses a second time, granted the same exparte, an as a result of which, his procedure has had to be questioned

8) As regards whether the refusal of the Magistrate First Class, to allow the appellants to recall prosecution witnesses, amounts to an irregularity as occasioning a -- failure of justice - It has already been sufficiently shown above that the appellants could not have recalled the prosecution witnesses as of right. Manifestly therefore, it is no irregularity on the part of the Magistrate to have refused the process to recall prosecution witnesses . There is -- therefore no question of failure of justice.

9) As can be seen from Ex. nil dated 31st August 1921 the appellants put in a list of witnesses to be called and heard on their behalf; but, subsequently their pleader put in another application Ex.22 stating that the appellants had no evidence to adduce on their behalf. The pleader for the appellants urges that fresh evidence on behalf of the appell-ants was not considered necessary as the evidence of the prosecution which was not subjected to cross-examination-- was not a proper tetimony. His contention would have been tenable, if no opportunity was given to the appellants to cross-examine the witnesses for prosecution . I am not -- inclined to believe in the argument of the appellants. Th appeal is therefore dismissed.

10 The Magistrate First Class was not justified i passing an order under Section 112 Cr. Pr. Code, after having heard the witnesses for prosecution. It is evident from the provision of the said Section, that it should be passed as a preliminary order before the enquiry under Sec 117 Cr. Pr. Code commences. If he had passed accordingly i would have amounted to the appellants' having entered thei defence and the present question of right of recalling -- witnesses would not have arisen at all.

Further the Magistrate has ordered that the --

appellants should furnish security retrospectively, from 31 August 1921 and not from the date of judgment passed by him viz. 3rd October 1921. The order passed by him on 31st Augus 1921 was a preliminary order passed by him under Section 112 Cr. pr. Code. The final order and judgment is to take effect from the date on which it is announced. The order preliminar as it is, was confirmed by him in his final order passed on the 3rd October 1921. The appellants therefore could not be looked upon as being bound over while they were under trial. So, the final order of the lower court is modified to the -- extent that the said Prabhu and Jogya bin Basappa of Dombar-mattur should be bound over for a period from 3rd October 1921 to 31st August 1922. This modification should be communicated to the appellants and the Jail authorities and as well to the police.
